

BIG PAPA

LIVE!

Foster Anonymous Volunteer Welcome Event

Foster Anonymous (F.A.) is dedicated to supporting individuals on their journey to recovery and personal growth through the F.A. 12-step program. We have seen the incredible impact that the 12-Steps have on people's lives, and we are looking for compassionate individuals who are willing to volunteer their time and expertise to help those in need!

Foster Anonymous has been granted permission to use the 12-Steps. We are extremely grateful to the volunteers of all 12-Step programs. Your service work is deeply appreciated. What you do here will affect the lives of fosters and their future.

The 12-Steps have been a lifeline for many individuals who are struggling with addiction, tragedy, or other challenges. The support and guidance of our volunteers play a crucial role in ensuring the success of the F.A. program. If you are passionate about making a positive difference in the lives of others, we invite you to consider becoming a volunteer with us.
